

2012-2013

Graduate Seminar Series

The Department of Mechanical Engineering – Engineering Mechanics

Proudly Presents

Brett Chouinard
Chief Operating Officer
Altair Inc.

Brett Chouinard has been with Altair Engineering for 19 years in various positions in management, engineering, consulting, sales and technical support. In his current role as Chief Operating Officer he is responsible for sales, marketing and technical support for the Altair's global field operations. Prior to joining Altair, Mr. Chouinard was a structural engineer for GE Aircraft engines specializing in the design and analysis of metallic and composite structures. He holds a B.S. in Mechanical Engineering from Michigan Technological University and an M.S. in Mechanical Engineering from The University of Cincinnati with emphasis in simulation of structures and human tissue engineering.

Thursday, Jan. 17, 2013

4:00 – 5:00 p.m.
