

I liked using the internet book for numerous reasons. Cost, not having to carry a book but more importantly the organization of the site was easy to understand.

Examples from real world applications really cause the material to hit home. Plus, it makes things 10x more interesting. Excellent teaching. Thanks!

Keep the Book Online!!

I found it very convenient in the fact that I never had to carry it around, and that it was free of charge. I also really liked the stories that went along with what we learned.

Thank you for making the textbook available online

Very helpful in office hours

Very professional teacher

The book had \approx very good examples and the quick tests were very good as well.

Online book is a great resource. Thanks!

The textbook was offered online. By far, this is the best decision by any instructor. I believe that a lot of other professors from various universities should follow this trend and make it easier for students to use textbook.

THE BOOK WAS A GREAT RESOURCE. THE EXAMPLE PROBLEMS REALLY HELPED WHEN DOING HW AND STUDYING.

I REALLY ENJOYED THE ONLINE BOOK BECAUSE IT IS ENVIRONMENTALLY FRIENDLY, EASY TO ACCESS AND IT WAS FREE.

Keep the online book, much better to have a book on my computer than to have another book to carry around.

Great teacher, best teacher I have had at MTU thus far

The online book saved money and trees. So thank you

Everything, don't change a thing. The addition of the online book was a great help

The online book was very helpful. I appreciated it because it saved ~~it~~ as well as being an easy way to obtain it.

The posted slides, example exams and online book really helped me learn in this class. !!

You were, by far the best professor I have had. I believe the book online was a great plus! Keep it, it helped a lot.

Online book was good, helpful to always have it there. Well organized.

Book online was very useful once printed out, helped understand layout of course better

Excellent book!

Having the book online was a great idea.

The textbook online & online slides were very helpful and convenient.

I liked having the book and slides online
it saved the students lots on money
and was very easy to print out and
put in a binder

I like the online book

The online book was great! It saved me a lot of money
